

More for Everyone. Please suggest your favorite community organization and briefly describe why they need or deserve the grant. You can also nominate online at www.bayercropscienceus.com. Five groups will each receive an equal portion of all More for Everyone funds.

More for everyone.

InVigor® canola.

Nominate your favorite community group

This year InVigor canola is taking More for Everyone even further. In addition to the great genetics and great yields you've come to expect from InVigor, you'll get a \$50 rebate for every bag you book before the end of January.

For every bag of InVigor you purchase during our early book program, \$.50 goes right back into your community.

More for everyone starts with you. When you come in to book your seed, you can suggest a group or organization you think deserve the money. Or you can visit www.bayercropscienceus.com to make your nomination.

Personal Information:

First Name • Last Name

Preferred Name/Nickname

Phone #

Email Address

Company Name

Aside from canola, what other crops do you grow or plan to grow?

Are you the primary decision maker on crops inputs?

- Yes
- No
